

## European Fables Centre in Poland

2010-02-08

The European fables Centre is to open on Feb. 24 in Pacanów, Świętokrzyskie Province.

The centre was created on the initiative of local authorities to educate through play.

The Centre includes a theatre, cinema, a workshop room, library, multimedia room and a hands-on exhibition for children. The cost of the investment is evaluated at PLN 25 billion. It was partially financed by the European Union's Norwegian Fund. MP
